The **Tennessee Association for HealthCare Quality (TAHQ)** is a professional organization dedicated to advancing health care throughout our state and nation. TAHQ provides numerous benefits including state-wide and regional educational opportunities. TAHQ sponsors an annual educational conference each fall, featuring nationally recognized speakers. The conference agenda always thoughtfully designed to attack pertinent, cutting-edge, and practical issues facing healthcare quality professionals. TAHQ members also benefit from a free subscription to the "Tennessee Quality News and Networking Connection," a bi-monthly source of current news and feature articles of particular interest to quality professionals who are practicing in Tennessee. TAHQ's formal affiliation with the National Association for Health Care Quality (NAHQ) and the Tennessee Hospital Association (THA) bring additional value to members through a broad range of special services.
